Aloha!

BOMA Hawaii's Officers and Board of Directors are sincerely grateful for your company's commitment and continued support. Your partnership helps us provide valuable programs, resources, and networking opportunities that strengthen Hawaii's commercial real estate community.

If you are a current sponsor/member, we hope the sponsorship and membership benefits you received over the past year have supported your company's marketing and business development goals. As we move into 2026, we invite you to renew your sponsorship and continue building on that success. If you are considering becoming a new sponsor, we look forward to showing you the many ways a BOMA Hawaii partnership can benefit your organization.

Enclosed you'll find details about our 2026 Sponsorship Program, which outlines the various levels and benefits available. Also included is our 2026 Events Calendar draft (dates, times, venues, and topics are subject to change).

Sponsorship is vital to sustaining the programs and events that serve our members and the broader industry. In return, you gain opportunities to:

- Elevate your company's visibility and brand recognition within the industry
- Strengthen your company's market presence
- Build trusted connections through high-value networking opportunities
- Support and participation in advocacy, education, and community service initiatives that advance commercial real estate in Hawaii
- Access to decision-makers and networking with industry leaders

Your sponsorship not only provides meaningful exposure but also plays a pivotal role in ensuring that BOMA Hawaii continues to deliver the resources our members rely on.

Please take a moment to review the enclosed sponsorship opportunities, which we believe will be an excellent investment in your company's near- and long-term business plans.

Feel free to contact our BOMA Account Executive at [bae@bomahawaii.com](mailto:bae@bomahawaii.com) for further details and questions.

MAHALO for your support and consideration. We look forward to partnering with you.

With appreciation,

*Sandra Bollozos-Fraticelli*
